Subject: Conference on initial training of motorcyclists: 28 May 2008.

Dear Madam or Sir,

The Directorate-General for Energy and Transport (DG TREN) of the European Commission co-financed a project about "Initial Rider Training", with the aim to propose to Member States' authorities a scheme to improve motorcyclists' safety. The main issues regarding motorcycling training have been addressed in this project and the results are now available.

A Conference on the possible use of these results is jointly organised by DG TREN and the Federation of European Motorcyclists' Associations (FEMA) on 28 May 2008 in the Commission's premises, rue De Mot, 24 (Room 3/47) – 1040 Brussels, from 2:30 pm to 5:30 pm.

I would like to invite you to attend this meeting which will also constitutes an opportunity to exchange views on this topic.

Yours sincerely,

Enrico GRILLO PASQUARELLI
